## All Dressed Up & Nowhere To Go and Riddle Time

### All Dressed Up & Nowhere To Go

We challenge you to get all dressed up in your favourite outfits or costumes and do a photoshoot. Act out a scene, maybe from your favourite movie or story!

You can get your brothers or sisters involved too and take turns photographing each other.

Don't forget to share your images with us.

### Riddle Time!

I have four legs but  
can't move unless  
someone moves me.  
What am I?

Once you solve the riddle, take a photo of it and share it with us at #BXDailyActivity

**Please share all the results from your activities with us. We'd love to see them!**
