Spot the Difference & Puzzle time
(Kids and Teens)

Spot the Difference

Can you spot the 6 differences between these photos?

Draw a circle around each difference, then take a photo of your finished work and share it with us.

Puzzle Time

Here is a little math puzzle.
Each object represents a number. Can you work it out?

Remember to share your answer with us.

Can you solve the puzzle?

$$\text{Camera} + \text{Camera} = 4$$

$$\text{Tripod} + \text{Tripod} = 2$$

$$\text{Camera} + \text{Tripod} = ?$$

Please share all the results from your activities with us.

We'd love to see them!
