Wordsearch and Photography Task

(Ages 12-17)

Have a go at our Wordsearch

All the words are related to photography.
Can you find all 13 words?

Take a photo of your finished Wordsearch
and share it with us.

You can check your answers below.
No cheating!

Photography Task: Self Portraits

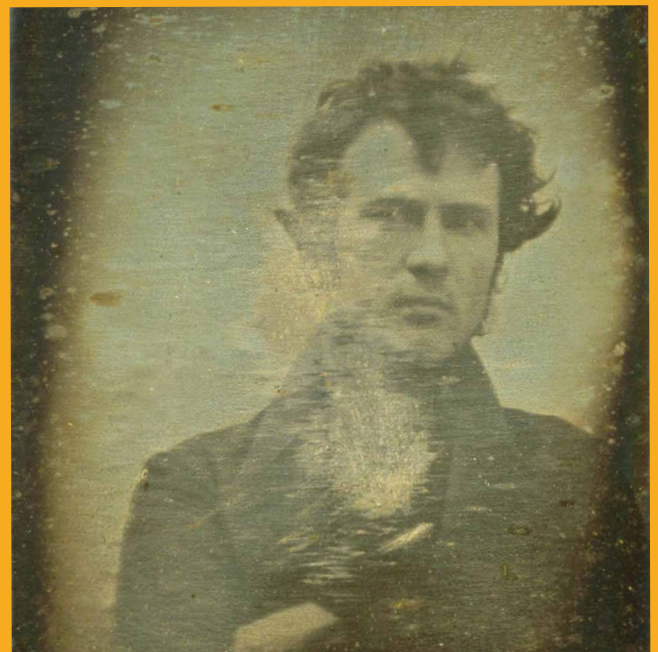

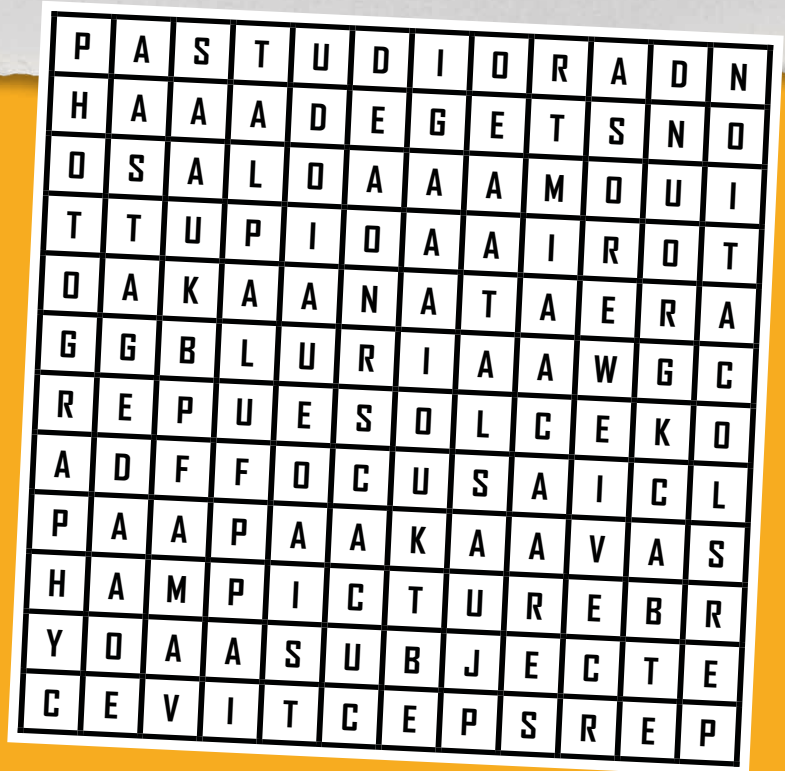

Take some photos of yourself. It can be
a selfie, or even better, use the timer
on your camera. Don't be afraid to dress
up and use props!

**Please share your wonderful
creations with us.
We'd love to see them!**

Wordsearch Answers

Background, Close Up, Composition, Focus,
Location, Perspective, Picture, Photography,
Studio, Subject, Staged, Viewer, Blur.

Fun fact: The first photographic portrait
ever made was a self-portrait by Robert
Cornelius in 1839.
