Colouring Pics and Riddle Time

Colouring Pics

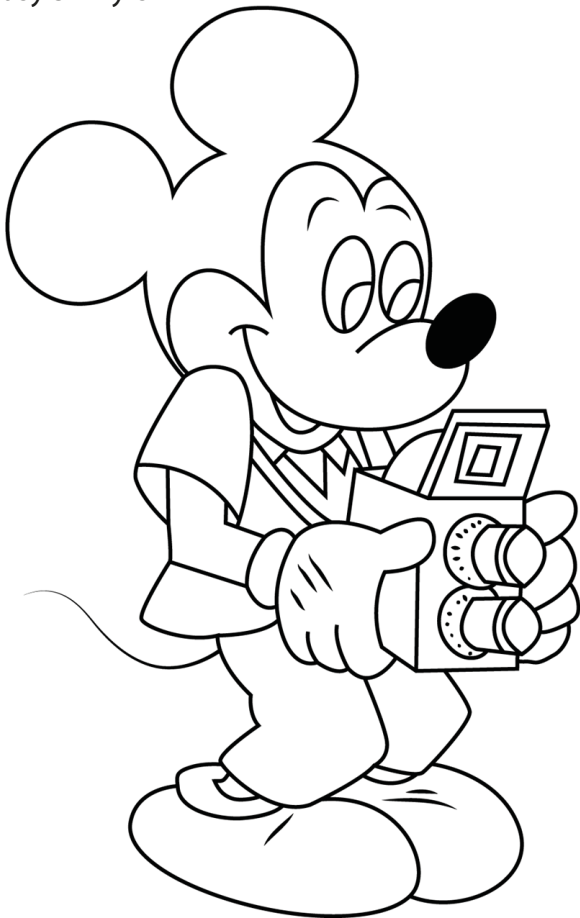

Can you colour in our pictures?

Try your best to stay inside the lines for each colour.

Do it digitally! If you don't have a home printer, use your favourite **Art App** on your digital device. The images are also available to be downloaded separately at: belfastexposed.org/digital/activities

After colouring in, please take a photo of your finished work and share it with us.

Easy 5-11yrs

Hard 12-17yrs

Riddle Time!

I have a face and two hands but no arms or legs.
What am I?

Once you solve the riddle, take a photo of it and share it with us at #BXDailyActivity

Please share all the results from your activities with us.

We'd love to see them!
