## Spot the Difference & Maze Game

(Kids and Teens)

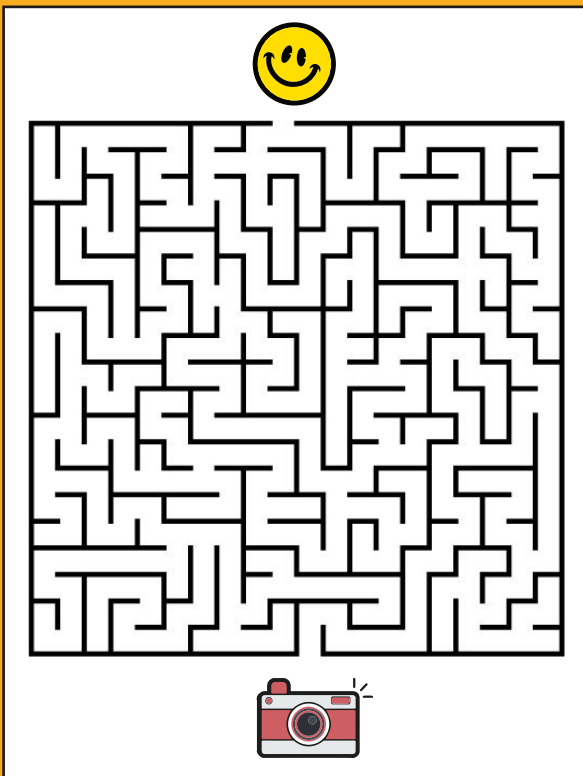

### Spot the Difference (Ages 12-17)

Can you spot the 6 differences between these photos?

Draw a circle around each difference, then take a photo of your finished work and share it with us.

### Maze Game (Ages 5-11)

Can you solve our maze game and get the smiley face to his camera?

Please share all the results from your activities with us.

We'd love to see them!
